West Bengal – 700124, India

Objective

Motivated B.Tech student and passionate Web Developer with hands-on experience in both **Frontend and Backend Development**, specializing in **React, Next.js, Tailwind CSS**, as well as proficient in **Python** and **C programming language**. I am eager to contribute as a key team player in a challenging, progressive, and creatively driven environment. I take pride in writing clean, efficient, and scalable code, maintaining consistently high standards. With a deep commitment to continuous learning, I actively sharpen my technical skills to stay aligned with the latest industry trends. My strong work ethic, dedication, and adaptability make me a valuable asset in any development team.

Internships

- **CCNA & Python Programming** July' 2022
Organized by- DataSpace Academy
Gained practical exposure to network configuration, routing basics, and Python-based scripting for automation and development.
- **IOT Internship Program** February' 2023
Organized by- IEM Labs in collaboration with BPIE
Learned about sensor integration, microcontroller programming, and real-time IoT applications in smart environments.

Projects

- **MediCart** July' 2025
MediCart – A full-stack platform for booking doctor appointments and purchasing medicines online. Developed using React, Node.js, and Tailwind CSS with real-time scheduling, search, and secure checkout features.
- **Jarvis –Voice assistant** March' 2023 – May' 2023
Developed as the final project for my diploma, this AI-powered voice assistant allows users to open and close applications via voice commands. Integrated with OpenAI APIs to deliver intelligent responses and enhance user interaction. The system improves app control through seamless voice operations, offering an efficient and smart user experience.
✓ *Project report available.*

Industrial Training

- **MERN – Stack Development** April' 2025 – July' 2025
Euphoria GenX

Trainings & Workshops

- **6- day workshop on Emerging Trends** August' 2024
Brainware University
- **8- week CEH training & Certification** May' 2024-June' 2024
Intershala Trainings

Education

- **Brainware University**
Bachelor of Technology (B.Tech)
Specialization: CSE (AIML)
Upto 6th sem Marks: 72.31%
Upto 6th sem SGPA: 7.34
Barasat, West Bengal, India
August' 2023 – July' 2026
- **Bishnupur Public Institute of Technology**
Diploma (polytechnic)
Computer Science and Engineering
Marks: 84.53%
Bishnupur, West Bengal, India
August' 2020 – July' 2023
- **Jambad Anchalik High School**
Higher Secondary (WBCHSE),
Marks: 84.8%
Purulia, West Bengal, India
March' 2020
- **Jambad Anchalik High School**
Secondary (WBBSE)
Marks: 53.13%
Purulia, West Bengal, India
March' 2018

Skill

- **Programming Languages:** Python, C
- **Frontend:** HTML, CSS, Tailwind CSS, JavaScript, React.js
- **Backend:** Node.js, PHP
- **Databases:** MongoDB
- **Other Tools:** Git, GitHub

Additional Information

- **Bengali:** fluent in reading, writing, and speaking
- **English:** Proficient in reading and writing; basic speaking skills
- **Hindi:** Comfortable in reading and speaking.
